**RESPONSE AND REQUEST FOR HEARING TO LIQUIDATING TRUST'S TWENTY-
EIGHTH OMNIBUS OBJECTION TO LANDLORD CLAIMS (REDUCTION OF
CERTAIN PARTIALLY INVALID CLAIMS, DISALLOWANCE OF CERTAIN
INVALID CLAIMS, DISALLOWANCE OF CERTAIN LATE FILED CLAIMS, AND
DISALLOWANCE OF CERTAIN AMENDED CLAIMS)**

Capmark Finance, Inc. ("Capmark") on behalf of Well's Fargo Bank, N.A Successor by Merger to Wells Fargo Bank Minnesota NA fka Norwest Bank Minnesota NA as Trustee for the Registered Holders of Merrill Lynch Mortgage Investors, Inc Pass-Through Certificates, Series 1998-C1-CTL (the "Trustee"), by and through its counsel Bryan Cave LLP, hereby files this Response to Liquidating Trust's Twenty-Eighth Omnibus Objection To Landlord Claims (Reduction of Certain Partially Invalid Claims, Disallowance of Certain Invalid Claims, Disallowance of Certain Late Filed Claims, and Disallowance of Certain Amended Claims) (the "Objection"), and states as follows:

1. The Trustee has objected to the proof of claim number 10034 (the "Claim") filed by Capmark.

2. The Trustee holds a mortgage on the real property commonly located at 4483 US Route 14, Crystal Lake, Illinois (Store No. 3171). The mortgagor on the property, CC-Investors 1997-3, a Delaware business trust (the "Borrower") leased the property to Circuit City Stores, Inc. ("Circuit City") pursuant to a written leased dated March 28, 1997 between Borrower as

landlord and Circuit City as Tenant, as it may have been amended. The Lease and the rents thereunder were assigned by the Borrower to its lender in an Absolute Assignment of Leases and Rents, effective as of March 31, 1997 (the "Assignment of Leases and Rents"). The Assignment of Leases and Rents was subsequently conveyed by the lender to the Trustee. A true and correct copy of the Assignment of Leases and Rents is attached hereto and incorporated herein as Exhibit A.

3. Circuit City rejected the Lease.

4. Trustee for Debtors lists the Claim on Exhibit C to its Objection as, being a "Partially Invalid Claim". The Objection states that:

"certain portions of the Partially Invalid Claims are (i) liabilities already asserted by the Claimant's in other claims; (ii) liabilities that have already been satisfied by the Debtors; or (iii) liabilities for which the Debtors dispute liability.

5. Debtors Objection offers no explanation for Debtors' basis for seeking a reduction of the Claim.

5. Rule 3001(f) of the Federal Rules of Bankruptcy Procedure provides that a "proof of claim executed and filed in accordance with these rules shall constitute prima facie evidence of the validity and amount of the claim. Fed. R. Bankr P. 3001(f).

6. After a creditor has timely and properly filed a proof of claim, the Debtor must produce substantial evidence to rebut this prima facie evidence. See in re Hemingway Transp. Inc. 993 F.2d 915, 925 (1st Cir. 1993) ("The interposition of an objection does not deprive the proof of claim of presumptive validity unless the objection is supported by substantial evidence"); In re Harford Sands, Inc. 372 F.3d 637,640-41 (4th Cir. 2004) (Creditor's filing of proof of claim constitutes prima facie evidence of amount and validity of claim, and burden is on debtor to object to claim and to introduce evidence to rebut its presumptive validity); In re Gran,

964 F.2d 882, 827 (8th Cir. 1992) (“The objection party must then produce evidence rebutting the claimant or else the claimant will prevail.”)

7. In this case, the Claims were filed prior to the Bar Date and in accordance with the Federal Rules of Bankruptcy Procedure and provides sufficient documentary support for the Claims and the calculation of the Claims amounts. The Objection does not challenge the basis for the Claims or provide any evidence whatsoever to supports its objection to the calculation of the Claims amounts.

8. The Trustee bears the burden of proof for the disallowance of any portion of the Claims. See In re Woodmere Investors Ltd. Partnership, 178 B.R. 346, 354 (Bankr. S.D.N.Y. 1995) Because Trustee has produced no evidence whatsoever in support of the proposed reduction, the Trustee has failed to meet its burden of proof.

WHEREFORE, Capmark respectfully requests that the Court (a) overrule the Objection as it relates to the Claim; (b) allow the Claim as provided in Capmark’s proof of claim; and (c) grant Capmark such other and further relief as this Court deems appropriate under the circumstances.

(a) to make claim for, receive and collect (and to apply the same to the payment of the Obligations) all rents (including all basic rent and additional rent), income, revenues, issues, profits, insurance proceeds, condemnation proceeds, moneys, security deposits, and damages payable or receivable under the Lease or pursuant to any of the provisions thereof (such rents, income, revenues, issues, profits, proceeds, moneys, security deposits or damages, collectively, the "Rents");

(b) to accept any offer regarding any condemnation proceeds or insurance proceeds payable in connection with a loss or destruction thereof;

(c) to make all waivers and agreements of any kind and make any appointments of appraisers or other determinations of any kind; and

(d) to give all notices, consents, approvals, releases and other instruments.

1.A. Assignee hereby grants to Assignor a revocable license to exercise any and all rights of landlord under the Lease with respect to the Mortgaged Property (including those set forth in subparagraphs (b) (c) and (d) of paragraph 1 above) in order to enable Assignor to take all actions necessary for the proper management and operation of the Mortgaged Property except for (i) the right to make claim for, receive, collect and receipt for any Rents, insurance proceeds, condemnation awards, and any other sums payable or receivable under the Lease or pursuant thereto, whether denominated as rent, other expenses, other payments or as the purchase price of the Mortgaged Property or any portion thereof or otherwise, or any proceeds from any of the above, (ii) the right to take any action upon the happening of a default under the Lease, including, without limitation, the commencement, conduct and consummation of proceedings at law or in equity, or (iii) the right to appear in any proceeding, claim, suit or action in connection with the rejection of the Lease, or the right to file or prosecute any claim for damages arising from the rejection of the Lease under the Bankruptcy Code, without having first obtained Assignee's prior written consent to do any of the foregoing. Notwithstanding anything herein to the contrary, (i) in no event shall Assignor be permitted to amend or modify the terms of the Lease without the prior written consent of Assignee, (ii) in no event shall Assignor, without the prior written consent of Assignee, in the exercise of any rights under the Lease or otherwise, take any action in connection with the management and operation of the property which would (a) have a material adverse effect on the rights and benefits of the landlord under the Lease, (b) in any way affect the Rents payable, or any other amount payable, or the term under, the Lease, or (c) in any way reduce the obligations of Tenant under the Lease, and (iii) in no event shall Assignor be permitted to take any action which, under any provision of the Lease, the Mortgage or any Other Security Documents, requires the consent, approval or joinder by Assignee, without first obtaining the consent, approval or joinder of Assignee required by such provision. Upon or at any time after the occurrence of an Event of Default (as defined in the Mortgage), the license granted to Assignor herein may be revoked by Assignee.

2. The rights provided the Assignee by this Assignment of Lease and Rents are primary and not secondary and are of equal parity to and arise and exist separately and independently of the Assignee's rights as mortgagee under the Mortgage. The assignment made

hereby is neither collateral nor for additional security. This Assignment and the execution and delivery hereof shall not in any way impair or diminish the obligations of Assignor under the Lease, nor shall any of the obligations contained in the Lease be imposed upon Assignee. Upon the payment of the Obligations, this Assignment and all rights herein assigned to Assignee shall cease and terminate and all estate, right, title and interest of Assignor in and to the Lease shall revert to Assignor, and Assignee shall, at the request and at the expense of Assignor, deliver to Assignor an instrument in recordable form canceling this Assignment and reassigning the Lease without recourse, representation or warranty, to Assignor.

3. Assignor hereby presently, unconditionally and irrevocably designates Assignee to receive, and directs Lessee to pay to Assignee, all payments, payable or receivable under the Lease (including, without limitation, all payments of basic rent and additional rent, and other sums payable to the lessor under the Lease) and no such payment by Lessee under the Lease shall be effective to discharge the obligation of Lessee under the Lease to make such payment unless made to Assignee in accordance with such designation and direction. All such payments shall be applied as provided in the Mortgage. Assignor hereby designates Assignee to receive duplicate original copies of all notices, undertakings, demands, statements, offers, documents and other instruments and communications which Lessee is or may be required or permitted to give, make, deliver to or serve upon Assignor under the Lease. Assignor shall direct Lessee to deliver to Assignee, at its address set forth below or at such other address as Assignee shall designate, duplicate original copies of all such notices, undertakings, demands, statements, documents and other communications and no delivery thereof by Lessee shall be of any force or effect unless made to Assignee and Assignor.

4. Assignor represents and warrants to Assignee that (a) the Lease is in full force and effect and no default by Assignor, and to Assignor's knowledge no default by Tenant, exists thereunder; (b) Assignor is the sole owner of the entire lessor's interest in the Lease; (c) Assignor has delivered to Assignee a true, correct and complete copy of the Lease as amended to the date hereof; (d) Assignor has full power and authority to execute and deliver this Assignment; (e) Assignor has not executed any other assignment of the subject matter of this Assignment, except in connection with construction financing repaid with proceeds of the Loan; (f) none of the Rents reserved in the Lease have been assigned or otherwise pledged or hypothecated; (g) none of the Rents have been collected for more than one (1) month in advance; and (h) to Assignor's knowledge there exist no offsets or defenses to the payment of any portion of the Rents.

5. Assignor shall not take any action as the lessor under the Lease or otherwise which is inconsistent with this Assignment, or make any other assignment, designation or direction inconsistent therewith, and any assignment, designation or direction inconsistent therewith shall be void. Assignor shall, from time to time upon the request of Assignee, execute all instruments of further assurance and all such supplemental instruments with respect to the transactions contemplated hereby as Assignee may specify.

6. Assignor further agrees with Assignee that Assignor (a) shall observe and perform all the obligations imposed upon the lessor under the Lease and shall not do or permit to be done anything to impair the value of the Lease as security for the Obligations; (b) shall promptly send

copies to Assignee of all notices of default which Assignor shall send or receive thereunder; (c) shall enforce all of the terms, covenants and conditions contained in the Lease upon the part of the Lessee thereunder to be observed or performed, short of termination thereof; (d) shall not execute any other assignment of lessor's interest in the Lease; (e) shall not alter, modify or change the terms of the Lease without the prior consent of Assignee, or cancel or terminate the Lease or accept a surrender thereof or convey or transfer or suffer or permit a conveyance or transfer of the Premises or of any interest therein so as to effect a merger of the estates and rights of, or termination or diminution of the obligations of Lessee thereunder; (f) shall not alter, modify or change the terms of any guaranty of the Lease or cancel or terminate any such guaranty without the prior consent of Assignee; and (g) shall not consent to any assignment of or subletting under the Lease not in accordance with the Lease terms, without the prior consent of Assignee.

7. Upon or at any time after an Event of Default (as defined in the Mortgage), Assignee may, at its option, without waiving such Event of Default, without notice and without regard to the adequacy of the security for the Debt, either in person or by agent or servicer, with or without bringing any action or proceeding, or by a receiver appointed by a court, enforce its interest in the Lease and Rents and take possession of the Mortgaged Property (as defined in the Mortgage) and have, hold, manage, lease and operate the Mortgaged Property on such terms and for such period of time as Assignee may deem proper and either with or without taking possession of the Mortgaged Property in its own name, demand, sue for or otherwise collect and receive all Rents, including those past due and unpaid with full power to make from time to time all alterations, renovations, repairs or replacements thereto or thereof as may seem proper to Assignee and may apply the Rents to the payment of the following in such order and proportion as Assignee in its sole discretion may determine, any law, custom or use to the contrary notwithstanding: (a) all expenses of managing and securing the Mortgaged Property, including, without being limited thereto, the salaries, fees and wages of a managing agent and such other employees or agents as Assignee may deem necessary or desirable and all expenses of operating and maintaining the Mortgaged Property, including, without being limited thereto, all taxes, charges, claims, assessments, water charges, sewer rents and any other liens, and premiums for all insurance which Assignee may deem necessary or desirable, and the cost of all alterations, renovations, repairs or replacements, and all expenses incident to taking and retaining possession of the Mortgaged Property; and (b) the Debt, together with all costs and attorneys' fees. For purposes of this paragraph, Assignor grants to Assignee and the designee of Assignee its irrevocable power of attorney, coupled with an interest, to take any and all of the aforementioned actions and any or all other actions designated by Assignee for the proper management and preservation of the Mortgaged Property. The exercise by Assignee of the option granted it in this paragraph and the collection of the Rents and the application thereof as herein provided shall not be considered a waiver of any default by Assignor under the Note, the Mortgage, the Lease, this Assignment or the Other Security Documents (as defined in the Mortgage).

8. Assignee shall not be liable for any loss sustained by Assignor resulting from Assignee's failure to let the Mortgaged Property after an Event of Default or from any other act or omission of Assignee in managing the Mortgaged Property after default unless such loss is caused by the willful misconduct or gross negligence of Assignee. Assignee shall not be obligated to perform or discharge any obligation, duty or liability under the Lease or under or by reason

of this Assignment and Assignor shall, and hereby agrees, to indemnify Assignee for, and to hold Assignee harmless from, any and all liability, loss or damage which may or might be incurred under the Lease or under or by reason of this Assignment and from any and all claims and demands whatsoever, including the defense of any such claims or demands which may be asserted against Assignee by reason of any alleged obligations and undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Lease. Should Assignee incur any such liability, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured hereby and by the Mortgage and the Other Security Documents and Assignor shall reimburse Assignee therefor immediately upon demand and upon the failure of Assignor so to do Assignee may, at its option, declare all sums secured hereby, the Note, the Mortgage and the Other Security Documents immediately due and payable. This Assignment shall not operate to place any obligation or liability for the control, care, management or repair of the Mortgaged Property upon Assignee, nor for the carrying out of any of the terms and conditions of the Lease; nor shall it operate to make Assignee responsible or liable for any waste committed on the Mortgaged Property by the Lessee or any other parties, or for any dangerous or defective condition of the Mortgaged Property, including without limitation the presence of any Hazardous Substances (as defined in the Mortgage), or for any negligence in the management, upkeep, repair or control of the Mortgaged Property resulting in loss or injury or death to any tenant, licensee, employee or stranger.

9. Assignee may take or release other security for the payment of the Debt, may release any party primarily or secondarily liable therefor and may apply any other security held by it to the reduction or satisfaction of the Debt without prejudice to any of its rights under this Assignment.

10. Nothing contained in this Assignment and no act done or omitted by Assignee pursuant to the power and rights granted to Assignee hereunder shall be deemed to be a waiver by Assignee of its rights and remedies under the Note, the Mortgage, or the Other Security Documents and this Assignment is made and accepted without prejudice to any of the rights and remedies possessed by Assignee under the terms thereof. The right of Assignee to collect the Debt and to enforce any other security therefor held by it may be exercised by Assignee either prior to, simultaneously with, or subsequent to any action taken by it hereunder.

11. Nothing herein contained shall be construed as constituting Assignee a "mortgagee in possession" in the absence of the taking of actual possession of the Mortgaged Property by Assignee. In the exercise of the powers herein granted Assignee, no liability shall be asserted or enforced against Assignee, all such liability being expressly waived and released by Assignor.

12. Unless the context clearly indicates a contrary intent or unless otherwise specifically provided herein, words used in this Assignment may be used interchangeably in singular or plural form and the word "Assignor" shall mean "each Assignor and any subsequent owner or owners of the Mortgaged Property or any part thereof or any interest therein," the word "Assignee" shall mean "Assignee and any subsequent holder of the Note," the word "Note" shall mean "the Note and any other evidence of indebtedness secured by the Mortgage," the word "person" shall include an individual, corporation, partnership, trust, unincorporated association, government,

governmental authority, and any other entity, the words "Mortgaged Property" shall include any portion of the Mortgaged Property and any interest therein, and the word "Debt" shall mean the principal balance of the Note with interest thereon as provided in the Note and the Mortgage and all other sums due pursuant to the Note, the Mortgage, this Assignment and the Other Security Documents; whenever the context may require, any pronouns used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns and pronouns shall include the plural and vice versa.

13. The failure of Assignee to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Assignment. Assignor shall not be relieved of Assignor's obligations hereunder by reason of (i) failure of Assignee to comply with any request of Assignor or any other party to take any action to enforce any of the provisions hereof or of the Mortgage, the Note or the Other Security Documents, (ii) the release regardless of consideration, of the whole or any part of the Mortgaged Property, or (iii) any agreement or stipulation by Assignee extending the time of payment or otherwise modifying or supplementing the terms of this Assignment, the Note, the Mortgage or the Other Security Documents. Assignee may resort for the payment of the Debt to any other security held by Assignee in such order and manner as Assignee, in its discretion, may elect. Assignee may take any action to recover the Debt, or any portion thereof or to enforce any covenant hereof without prejudice to the right of Assignee thereafter to enforce its rights under this Assignment. The rights of Assignee under this Assignment shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Assignee shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision.

14. [Reserved]

15. If any term or provision of this Assignment or any application hereof shall be invalid or unenforceable, the remainder of this Assignment and any other application of such term or provision shall not be affected thereby.

16. Any notice, demand, statement, request or consent made hereunder shall be effective and valid only if in writing, referring to this Assignment, signed by the party giving such notice, and delivered either personally to such other party, or sent by nationally recognized overnight courier delivery service or by certified mail of the United States Postal Service, postage prepaid, return receipt requested, addressed to the other party as follows (or to such other address or person as either party or person entitled to notice may by notice to the other party specify):
